the spring 2016 collection

As our plane took off from Aeroporto di Roma, we had a chance to reflect on our whirlwind Italian adventure. There was so much we’d seen, smelled, tasted, and felt. But there was one thing in particular we all agreed made this trip special: La Dolce Vita—the sweet life. It’s a belief that’s deeply embedded in the heart of Italian culture, and while it’s hard to pin down, it’s absolutely central to our Spring 2016 Collection. Think abundance, like head-to-toe patterns bursting with florals, and rich, layered reds. Ultra feminine details like eyelets...everywhere! Saturated brights and deep, coastal blues. The carefree confidence to pair different shades of white, and trusting you’ll be totally chic. It’s the vision to play with shape, going from breezy and billowy to formfitting—all in one outfit. It’s elegant knits and wovens mixing with destructed denim for true day-to-night versatility. We were excited to get back to the comfort of our homes and our families, but we wanted to hold onto the effervescent spirit of Italy, which is vibrantly alive in our Spring 2016 Collection. This season, we’re going to reserve some time for ourselves, dedicate time for friends and family, eat well, laugh often, and look fabulous... always. That’s La Dolce Vita.

Over the years, our Design Team has learned so much from Carol's impeccable fashion sense. Her creativity has inspired countless Collections, so we established a tradition of honoring her vision by bestowing the Love, Carol designation to a handful of special pieces that truly speak to her spirit. Look for the Love, Carol logo throughout the Look Book, and discover the must-haves we're celebrating this season.

the heart of cabi foundation

ENCOURAGING AND EMPOWERING WOMEN AROUND THE WORLD

We endeavor to do well as a business in order to do good in the world. The Heart of cabi Foundation is our primary avenue for taking the transformation that happens through the cabi Experience far beyond living rooms.

MISSION: To encourage and empower women in need. From distributing clothing to U.S. communities affected by natural disasters to empowering women entrepreneurs around the developing world to work their way out of poverty, we are passionate about serving and investing in women across the globe...now more than ever.

our 3 impact avenues

♥ **BUILD YOUR BUSINESS & YOU EMPOWER ANOTHER WOMAN TO BUILD HERS** For each new cabi Stylist who begins her business, cabi will fund a small business loan in her name for another woman entrepreneur in a developing country. Together, women experience the unique growth and freedom that comes from building a business of their own.

♥ **MAKE A CHANGE:** When placing a cabi order, you can round your order total up to the nearest dollar. The change you give funds small business loans through Opportunity International and empowers women entrepreneurs working tirelessly to create better futures for their families and communities. A little change from you can create a big change for women in developing countries.

♥ A portion of the net proceeds from the sale of the **SIENA BLOUSE** will fund The Heart of cabi Foundation's efforts around the world.

together, we are affecting lives around the world

Not just about the way you look, but how you feel. It's not simply the outfit, but the *style* you own. It's not only the compliment, but the *conversation*. Ultimately, beyond great fashion, cabi is about *the connection*.

From the moment cabi was created, it was more than a brand; it was a *vision* to bring inspiration, *confidence*, and a lasting sense of *community* to generations of women. Knowing our greatest days are ahead of us, our empowered network of *friends* has become a catalyst for the biggest evolution in women's *fashion*.

The true essence of cabi isn't just about the clothing, it's about the *relationships* we build—each encouraging us to discover our style and *inspiring* us to mix and match what we wear with the way we live.

Cabi SIMPLY IS...YOU. *Inspired.*
